## Genetics at your service

GENINDEXE, a French genetic laboratory, is launching a GSD IV campaign in Europe. After our involvement during the French campaign, you can now rely on our *experience*, our *reliability* and our *quality policy*.

**From January 10th to March 30th 2009,**  
your partners could do GSD IV tests at a preferential rate:

	General Price	Club Price (2)
Normal Price	52,00 € TTC	47,00 € TTC
<b>GSDIV European Campaign</b>		
From 1 to 9 samples (1)	<b>47,50 € TTC</b>	<b>38,00 € TTC</b>
More than 9 samples (1)	<b>45,00 € TTC</b>	<b>36,00 € TTC</b>

(1) Numbers of samples sent at the same time

(2) You must send us a proof of membership from your club

*On our website, you will find our sample collection and order form, the GSD IV technical document and our available DNA tests list. If you need more information, do not hesitate to contact us:*
